Information on the data transfer to third-party countries that are not secure under data protection law and the transfer to US companies that are not DPF-certified

We use, among other technologies, tools from companies located in third-party countries that are not safe under data protection law, as well as US tools whose providers are not certified under the EU-US Data Privacy Framework (DPF). If these tools are enabled, your personal data may be transferred to and processed in these countries. We would like you to note that no level of data protection comparable to that in the EU can be guaranteed in third countries that are insecure in terms of data protection law.

We would like to point out that the US, as a secure third-party country, generally has a level of data protection comparable to that of the EU. Data transfer to the US is therefore permitted if the recipient is certified under the "EU-US Data Privacy Framework" (DPF) or has appropriate additional assurances. Information on transfers to third-party countries, including the data recipients, can be found in this Privacy Policy.

Recipients of personal data

In the scope of our business activities, we cooperate with various external parties. In some cases, this also requires the transfer of personal data to these external parties. We only disclose personal data to external parties if this is required as part of the fulfillment of a contract, if we are legally obligated to do so (e.g., disclosure of data to tax authorities), if we have a legitimate interest in the disclosure pursuant to Art. 6 (1)(f) GDPR, or if another legal basis permits the disclosure of this data. When using processors, we only disclose personal data of our customers on the basis of a valid contract on data processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract handed over to you or to a third party in a common, machine-readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

Information about, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data at any time. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data instead of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.

- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

Google Ads Remarketing

This website uses the functions of Google Ads Remarketing. The provider of these solutions is Google Ireland Limited (“Google”), Gordon House, Barrow Street, Dublin 4, Ireland.

Meta Pixel (formerly Facebook Pixel)

To measure conversion rates, this website uses the visitor activity pixel of Facebook/Meta. The provider of this service is Meta Platforms Ireland Limited, 4 Grand Canal Square, Dublin 2, Ireland. According to Facebook's statement the collected data will be transferred to the USA and other third-party countries too.

This tool allows the tracking of page visitors after they have been linked to the website of the provider after clicking on a Facebook ad. This makes it possible to analyze the effectiveness of Facebook ads for statistical and market research purposes and to optimize future advertising campaigns.

For us as the operators of this website, the collected data is anonymous. We are not in a position to arrive at any conclusions as to the identity of users. However, Facebook archives the information and processes it, so that it is possible to make a connection to the respective user profile and Facebook is in a position to use the data for its own promotional purposes in compliance with the Facebook Data Usage Policy (<https://www.facebook.com/about/privacy/>). This enables Facebook to display ads on Facebook pages as well as in locations outside of Facebook. We as the operator of this website have no control over the use of such data.

The use of these services occurs on the basis of your consent pursuant to Art. 6(1)(a) GDPR and § 25(1) TDDD. You may revoke your consent at any time.

The expanded alignment allows us to transfer to Meta (Facebook) different types of data (e.g., place of residence, federal state, zip code, hashed email addresses, names, gender, date of birth or phone number) of our customers and prospects we collect through our website. As a result of this activation, we can tailor the offers presented in our advertising campaigns on Facebook to individuals interested in what we offer even more precisely. Moreover, this expanded alignment optimizes the allocation of website conversions and expands custom audiences.

Insofar as personal data is collected on our website with the help of the tool described here and forwarded to Facebook, we and Meta Platforms Ireland Limited, 4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland are jointly responsible for this data processing (Art. 26 DSGVO).
