

Your story.
Your surreal portrait.

Custom Artwork
by Frida Pini

A personal work of art that reveals what makes you who you are.

YOU'VE COME TO THE RIGHT PLACE!

Why a commissioned painting?

- 100% personal: your story, your colors, and your symbolism set the tone. I translate them into my distinctive surrealist visual language.
- You don't need to come in with a specific idea for the photo. Together, we'll develop the elements that make your portrait personal and unique.
- A work of art with personal significance: Your portrait preserves a part of your story and becomes a visible reminder of what makes you who you are.
- Collaborating with an artist is a special human and artistic experience that goes beyond the creation of the artwork itself and will always remain in your memory.

I was completely speechless,

when I received my surreal portrait, the details were truly impressive! It far exceeded my expectations! Anyone who commissions a painting from Frida will receive a beautiful, one-of-a-kind piece that they'll always cherish!

THE PROCESS

The 5 Steps to Creating Your Own Work of Art

1

We'll get to know your story.
During a one-on-one conversation, we'll talk about your wishes, your story, and what you want your artwork to express. You don't need to have a finished idea for the artwork just yet.

2

After our meeting, I'll email you a summary of your request and a price quote. If you're satisfied, please send me your approval.

3

Your Order Becomes Binding
After you approve the quote and before the artistic work begins, a deposit of 50% of the agreed-upon total price is due. You will pay the remaining 50% upon completion and before delivery of your artwork. You will receive the details regarding the order and cancellation policy before the project begins.

4

A sketch will be created. **You'll see your concept before your artwork is finalized.** I won't begin working on the final piece until you've given your approval. Completion usually takes 3–5 weeks.

5

Today is the big day. A work of art created especially for you and your story is now coming to live with you.

ANY QUESTIONS?

FAQ

When do I have to pay the remaining 50% of the total amount?

As soon as your one-of-a-kind piece is finished, please transfer the second installment before I send you your artwork.

How will my artwork be delivered?

Your artwork will be delivered either as a high-resolution digital file or as a high-quality fine art print, carefully packaged and mailed free of charge within Germany. If you live in the Karlsruhe area, I'd also be happy to deliver your artwork to you in person.

Can I still make changes before it's finished?

Your artwork isn't created blindly.
You'll first receive a sketch or preview. Only once you're satisfied with the creative direction will I begin the final execution. This is how we develop your personalized artwork through a clearly coordinated process.
