

List of (sub) processors, recipients in third countries and international organizations (Compliance with Data Protection Laws such as GDPR, UK Data Protection Laws, Swiss DPA and DPR, PIPL, PDPL, DPDPB and other laws)

This document lists all (sub-)processors we use, as well as the recipients in third countries and international organizations to which we transfer personal data. It is intended to (1) enable our business partners to identify processors and recipients in third countries and international organizations that we use or have approved, and (2) enable data subjects to know and enforce the rights to which they are entitled. For the sake of transparency, we point out that the companies we named may process personal data at third parties (e.g., external hosting of websites or SaaS applications). The companies listed below may also transfer data to parent companies, subsidiaries, sister companies or other group companies, as well as processors and other controllers. Information on data processing by these companies can be found on the respective website that we indicated.
