

FUX

FOOD AND DRINKS

WELCOME TO FUX

Anyone familiar with the bar Lux in the city center knows that good drinks are a tradition here. And because a clever mind sometimes needs two territories, we also have our restaurant next to the bar - named like its big brother after a local forest animal.

The elegant Lux has become the cozy Fux.

At inn Fux, we combine Bavarian tavern cuisine with a modern sense of style. Classic delicacies, prepared to the highest standards and served with love.

Clean lines, warm materials, dimmed lighting - a place where tradition is not dusty, but reimagined.

Accompanied by a freshly tapped Augustiner or a drink that bears our signature from Lux: precisely mixed, served with a relaxed attitude.

The Fux is a living room, a place to arrive, sit together, and stay. Warm, cozy, and full of life - like an evening with good friends, except that we take care of everything.
