SABRINA GATZKE

ABOUT ME

My name is Sabrina Gatzke and I'm a model with 20 years experience in photoshoots and fashion shows.

Two years ago I started working as a professional model and advertising actress specialised in beauty, lifestyle and fashion. Beauty brands like bellavia, mellow NOIR, NIVEA and bd Björn Donner are among my references.

In my leisure time I play improvisational theatre, I dance ballroom dances and I do pilates and hula hoop.

On social media I focus on content based on beauty, lifestyle and fashion, always trying to inspire people for selfcare, a positive mindset and a more mindful way of life.
