

ABOUT US

BLACKCOCO's GmbH is an established company specializing in the production and distribution of high-quality coconut charcoal. Since our foundation in 2014, we have made a name for ourselves as the leading supplier of coconut charcoal in the Heilbronn region.

Our vision is to offer high-quality coconut charcoal that meets the needs of our customers. We strive to promote environmentally friendly and sustainable practices in our production while delivering products of the highest quality.

BLACK COCO'S

APPLICATION IN DAILY LIFE

BLACKCOCO's natural coals are the perfect choice for shisha enthusiasts. They produce a stable and long-lasting glow that heats the tobacco evenly and offers an intense taste experience. With **BLACKCOCO's**, every shisha session becomes a moment of pleasure.

Our natural coals are also ideal for outdoor barbecues. They burn hot and evenly, so that you can prepare your grilled dishes to perfection. The natural coconut shell base gives your food a unique flavor and avoids unpleasant chemical residues.

SUSTAINABILITY

100% NATURAL FROM COCONUT SHELLS

Our natural charcoals are made from 100% natural coconut shells. This means that no trees are felled and no harmful chemicals are released into the environment.

SUSTAINABLE SOURCES OF RAW MATERIALS

BLACKCOCO's is committed to the long-term sustainability of raw material sources. By recycling and reusing coconut shells, we are helping to conserve natural resources.

OPTIMIZED DELIVERY ROUTES

Our products are delivered via optimized optimized delivery routes. We endeavor to keep CO2 emissions during transport as low as possible.
