

✦✦The Power of Partnership Without Borders! ✦✦

Today, we want to say "Thank you!" to those who help make education in Ukraine more modern, even in challenging times. ☐UADE

🙌 Special thanks to Ms. Rina Sobolevski and Menschlichkeit Spenden e.V. from Nuremberg for organizing the logistics, as well as to the Charitable Organization "Yedyna Spilna Sprava" Ukraine for the delivery. Transporting equipment across the border directly to those in need is a massive undertaking, and you have handled it brilliantly!

We also express our deep gratitude to our German partners, Labdoo.org and Computertruhe e.V., for the provided IT equipment. Your laptops are already in use in the computer lab of the Borivska Gymnasium and in the hall of the Borivska Library, opening up access to knowledge for both children and adults.

Together, we are building the future! 🙌
