

Consent Declaration

for the disclosure and processing of personal data

Preamble

The Solutions-for-Health group of companies is an association of legally independent companies that have committed themselves to the common goal of supporting and strengthening the German and Swiss healthcare systems through innovative, holistic and sustainable solutions. Due to this holistic and sustainable approach, we collect, use and manage your data with the utmost care and discretion, jointly within the group of companies and our cooperation and expert network. Within the group of companies, Kompetenz Deutschland AG is responsible for data protection. The following data protection information is intended to explain to you in an understandable, transparent and clear manner how we, Kompetenz Deutschland AG (hereinafter “**CD**”) and the SfH group of companies (hereinafter “**SfH**”), process your personal data in connection with your use of our services, our websites, applications (“**apps**”) and online services.

If you nevertheless have any questions of understanding or other queries regarding data protection at CD or SfH, you are welcome to contact our Data Protection Officer at datenschutz@solutions-for-health.com or via the additional contact details provided below.

Consent Declaration

I, _____, hereby consent to the storage and processing of personal data relating to me, as well as practice data associated with my request (evaluation, transmission, modification, deletion).

The processing of customer-related data serves documentation and collaboration within the SfH group of companies in the areas of Medical Consulting and Medical Scouting. This is intended, in my interest, to ensure fast and optimal cooperation among the companies, e.g., when developing individual and holistic solutions and when managing and monitoring implementation. Such documentation and collaboration are to be regarded as an important tool for holistic and sustainable consulting.

If necessary, I also consent to the data being made available to subject-matter experts in the interest of the consultation and/or to optimize the process. All persons who have access to these personal data are aware that they are obliged to maintain confidentiality.

My consent to the disclosure/processing of data is voluntary.

I may revoke my consent at any time without stating reasons.

_____, _____

Place, date

Last name, first name

Yes, I would like to receive information on current consulting services and service offerings, news from my industry, announcements of upcoming events, information on SfH studies and further marketing information from the companies of the SfH group by email and/or by post. My consent relates to the companies and partners of the SfH group of companies mentioned in the preamble.

Data Protection Information pursuant to Articles 13 and 14 of the EU General Data Protection Regulation (GDPR)

3. Data subject rights / Your rights under data protection law

You have the following rights under applicable data protection law with regard to your personal data.

Right of access: You may request information from us at any time as to whether and which personal data we store about you. Providing such information is free of charge for you.

The right of access does not apply, or applies only to a limited extent, if and insofar as the information would disclose confidential information, e.g., information that is subject to professional secrecy.

Right to rectification: If your personal data stored by us are incorrect or incomplete, you have the right to request that we rectify such data at any time.

Right to erasure: You have the right to request the erasure of your personal data where and insofar as the data are no longer necessary for the purposes for which they were collected or, where processing is based on your consent, you have revoked your consent. In this case, we must stop processing your personal data and remove them from our IT systems and databases. There is no right to erasure insofar as

- the data must not be deleted due to a legal obligation, or must be processed due to a legal obligation; or
- processing is necessary for the establishment, exercise or defence of legal claims.

Right to restriction of processing: You have the right to request that we restrict the processing of your personal data.

Right to data portability: You have the right to receive the data you have provided to us in a structured, commonly used and machine-readable format, as well as the right to have those data transmitted to another controller. This right exists only if

- you have provided us with the data on the basis of consent or pursuant to a contract concluded with you; and
- processing is carried out by automated means.

Right to object to processing: Where the processing of your data is based on Article 6(1)(f) GDPR, you may object to the processing at any time.

You may assert all of the data subject rights described above vis-à-vis Competenz Deutschland AG by directing your specific request to the following contact details:

Per E-Mail: datenschutz@solutions-for-health.com

By post:

Competenz Deutschland AG
Herr Juri Priert
Karlsplatz 3

4. Right to lodge a complaint with a data protection supervisory authority

Pursuant to Article 77 GDPR, you have the right to lodge a complaint with a data protection supervisory authority if you believe that the processing of your personal data violates data protection law.

5. Purpose of data processing:

The purpose of processing is to maintain the customer relationship, provide information about products and services, and provide consulting and manage projects and assignments in the areas of Medical Consulting and Medical Scouting, including with external cooperation partners and experts.

Categories of data involved:

Processing includes, in particular, customer master data; contact details (telephone number, email address); name and contact details of contact persons at the customer; asset data; and the practice's business and financial key figures.

Transfer of data:

No transfer to external parties, i.e., outside Kompetenz Deutschland AG or the SfH group of companies and its cooperation partners, will take place.

Retention period and deletion deadlines:

We store your master data and billing-relevant data for the duration of the ongoing customer relationship and beyond on the basis of §132 BAO for 10 years. After this retention period has expired, we will delete your data within 3 months.

Automated decision-making / profiling:

No methods of automated decision-making / profiling are used in the processing of personal data for visitors.

Collection of data:

Data are collected directly from the data subject online and/or offline.
