We Define. Business Consulting. Differently.

We define a new standard...

Business Setup in the UAE with **Full Transparency**.

DolderGlobal offers highly customizable business solutions for everyone. Our full range of business setup services is one way we help people build a solid **financial future**.

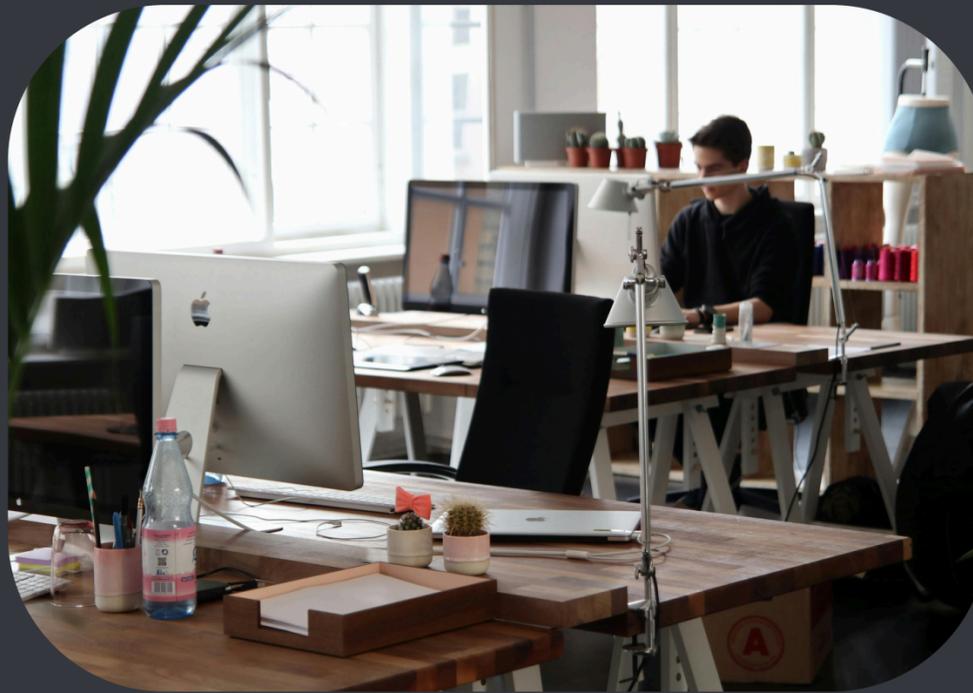

DolderGlobal makes business setup in the UAE simple, whether you're an **individual or corporate shareholder**. It all starts with a free consultation to discuss your exact needs, followed by a few easy steps.

The UAE, An Ideal Business Destination

Simply put, the UAE offers one of the world's most business-friendly environments, with incredible tax benefits, a forward-thinking culture and a strategic location. Here are just a few reasons to choose the UAE for your business:

- A Pro-Business Government
- Tax Advantages
- Competitive Tax Regime
- Exceptional Talent Market
- Business Favorable Laws Regulations
- Safe & Secure Quality of Life
- World-Class Infrastructure
- Political & Economic Stability

And so much more...

WeDefine. Business Consulting. Differently.
