

THE NEW ERA OF PROMOTIONAL ITEMS

We design and produce **custom 3D giveaways** for trade show & campaigns: **3D logos, product miniatures, trophies, QR code chips and much more.**

Creativity in 3D

- **3D modeling** based on your idea/sketch/product photo
- **Prototype** printing for visualization & approval
- **Series production** of promotional goodies: 1 - 10,000 units
- **Delivery within 6 weeks**
- **Ongoing support** available as a partnership for prototype design & production
- **Printing service** – optionally also with provided 3D files (incl. data check & optimization)
