YOU'VE COME TO THE RIGHT PLACE!

Why a commissioned painting?

- 100% customization: You can choose your own colors, size, and even the style of your image.
- I'll help you transform your visions and desires into a personalized spirit animal portrait. Together, we'll bring your ideas to life. The finished piece will serve as a powerful reminder of your inner strength.
- A highlight for your home or office: this is a once-in-a-lifetime chance to hang a one-of-a-kind piece on your own wall!
- Working with an artist is a unique personal and artistic experience that goes beyond the creation of the artwork itself and will stay with you forever.

I was completely speechless when I received my surreal portrait—the details are truly impressive! It far exceeded my expectations! Anyone who commissions a painting from Frida will receive a beautiful, one-of-a-kind piece that they'll cherish forever. So don't hesitate - go for it!

THE PROCEDURE

The 5 Steps to Creating Your Own Work of Art

1

We'll discuss your preferences together. We'll decide on the style, colors, and size of your dream painting. If you live in the Karlsruhe area, I can come to your home to help you choose the right colors for your space. Otherwise, we can discuss it via Zoom or over the phone.

2

After our meeting, I will email you a summary of your request and a price quote. If you are satisfied, please send me your approval.

3

Before I begin creating your piece, I ask that you make a non-refundable 50% down payment to cover the required labor costs.

4

The sketch is being created. I won't begin the final artwork until I have your approval. Your custom artwork is taking shape! This process can take 3 to 5 weeks.

5

Today is the big day. You'll receive your one-of-a-kind piece and can celebrate the arrival of a unique work of art created just for you. Congratulations on this wonderful decision!

ANY QUESTIONS?

FAQ

+ When do I need to pay the remaining 50% of the total amount?

Once your one-of-a-kind piece is finished, please transfer the second installment before I send you your artwork.

+ How will my artwork be delivered?

Your artwork will be delivered either as a high-resolution digital file or as a high-quality fine art print, carefully packaged and mailed to you. If you live in the Karlsruhe area, I'd be happy to deliver your artwork to you in person.

+ What happens if I don't like the painting?

If, despite all the care and effort I have put into your artwork, you are not satisfied, you may return the painting. In that case, I will refund half of the total price. The 50% deposit is non-refundable.

But don't worry: Among the commissioned artworks I've created over the past five years, this hasn't happened even once!
