

Good afternoon, colleagues!

On April 27, a festive concert dedicated to the existence of the DUG-HN e.V. center “Ukrainian-German Society in Halbronn” was held in the city of Halbronn, to which the Center for Ukrainian Culture and Support “POWER OF UNITY” of the city of Kralshheim was invited.

The goal of the center is to help Ukrainians integrate into a new environment and create a community in which every Ukrainian can feel needed, heard and understood. Building a bridge of friendship between Ukraine and Germany through comprehensive assistance to Ukrainians.

The concert program was very interesting.

Representatives of the center from Halbronn talked about their successes in the center’s work, fundraising and volunteering for Ukraine. Ukrainian songs were performed, a children’s book in Ukrainian was presented, and much more.

Representatives of our center presented a Ukrainian loaf, told about the existence and work of the center in the city of Kralshheim, and performed Ukrainian songs.

We thank our colleagues for their hospitality.
