

Greetings, friends!💙💛

Our charity fair took place in Crailsheim on July 12th! It was a wonderful day, full of togetherness and important acquaintances.

💛 We were joined by:

Representatives from Schwäbisch Hall (Schwäbisch Hall);

Our partners are the organization @Menschlichkeit Spenden e.V. Nuremberg;

A musician from Schwäbisch Hall who created an incredible atmosphere by playing the electric piano.🎹 Masters of making soft toys Oleg and Tatyana 🥰

The participants presented their centers in a wonderful and very informative way. As always, we offered visitors Ukrainian souvenirs, jewelry, and there was also cold compote and popcorn.🍹🍿

📊 Our joint result:

€30 raised from bracelet sales and €10 in charitable donations.

Every euro is a step towards our common goal!🌱 Huge thanks to our team:

Olena Khomych and Olena Pryakhina for their active participation, warmth and energy on location!

Mykola for invaluable help with logistics: transporting tables, tents and all goods. We couldn't have done it without you!🚚📦

We invite everyone who cares to join our activities! Together we can do more!
