

Fair Recruitment and Placement

VENTIMIGUIS-UNIPESSOAL, LDA is committed to ethical, transparent, and fair international recruitment and placement of professionals, especially in the healthcare sector.

Our activities are guided, among others, by the following principles:

- The WHO Global Code of Practice on the International Recruitment of Health Personnel,
- The relevant EU legal provisions on the recognition of professional qualifications and the free movement of workers,
- The principles of voluntary, free-of-charge, and non-exploitative placement for candidates.

VENTIMIGUIS-UNIPESSOAL, LDA does not charge any placement fees to candidates and supports the entire integration process in a transparent, responsible, and sustainable manner.
