NARRATIVE
This Plat was recorded at the request of Troy Hastings representing **Teton Horizon Holdings, LLC**, for the purpose of creating a single family residential subdivision as shown. For additional information relating to the Basis of Bearing and the boundary of the subdivision see Record of Survey Instrument No. 461950.

PUBLIC UTILITY EASEMENT NOTE
Utilities shall have the right to install, maintain, and operate their equipment above and below ground and all other related facilities within the Public Utility Easements identified on this plat map as may be necessary or desirable in providing utility services within and without the lots identified herein, including the right of access to such facilities and the right to require removal of any obstructions including structures, trees and vegetation that may be placed within the PUE. The utility may require the lot owner to remove all structures within the PUE at the lot owner's expense. At no time may any permanent structures be placed within the PUE or any other obstruction which interferes with the use of the PUE without the prior written approval of the utilities with facilities in the PUE.
