ON-DEMAND RECRUITER

For Start-ups & Scale-ups ✨

Why Talented Search

**Support your Hiring Team with Expertise,
Speed and Efficiency, using AI-Driven
Automation**

Without Talented Search

- ✗ Hiring Expensive additional recruiters
- ✗ Time spent training & coaching them
- ✗ Continued time spent reviewing candidates
- ✗ 4-8 weeks waiting for new hire to become efficient, while managing workload

With Talented Search

- ✓ Extra Recruitment Expert on your team
- ✓ Sourcing & Selection on Autopilot
- ✓ 70% time back focus to hire & onboard
- ✓ Interview only the Best Talent
- ✓ Easy and cost-efficient Hiring

What your AI-Powered Recruiter does for you

Your Recruiter works with you & uses our proprietary AI for Hiring to Source, Attract, Select and Hire Talent while you focus on your job

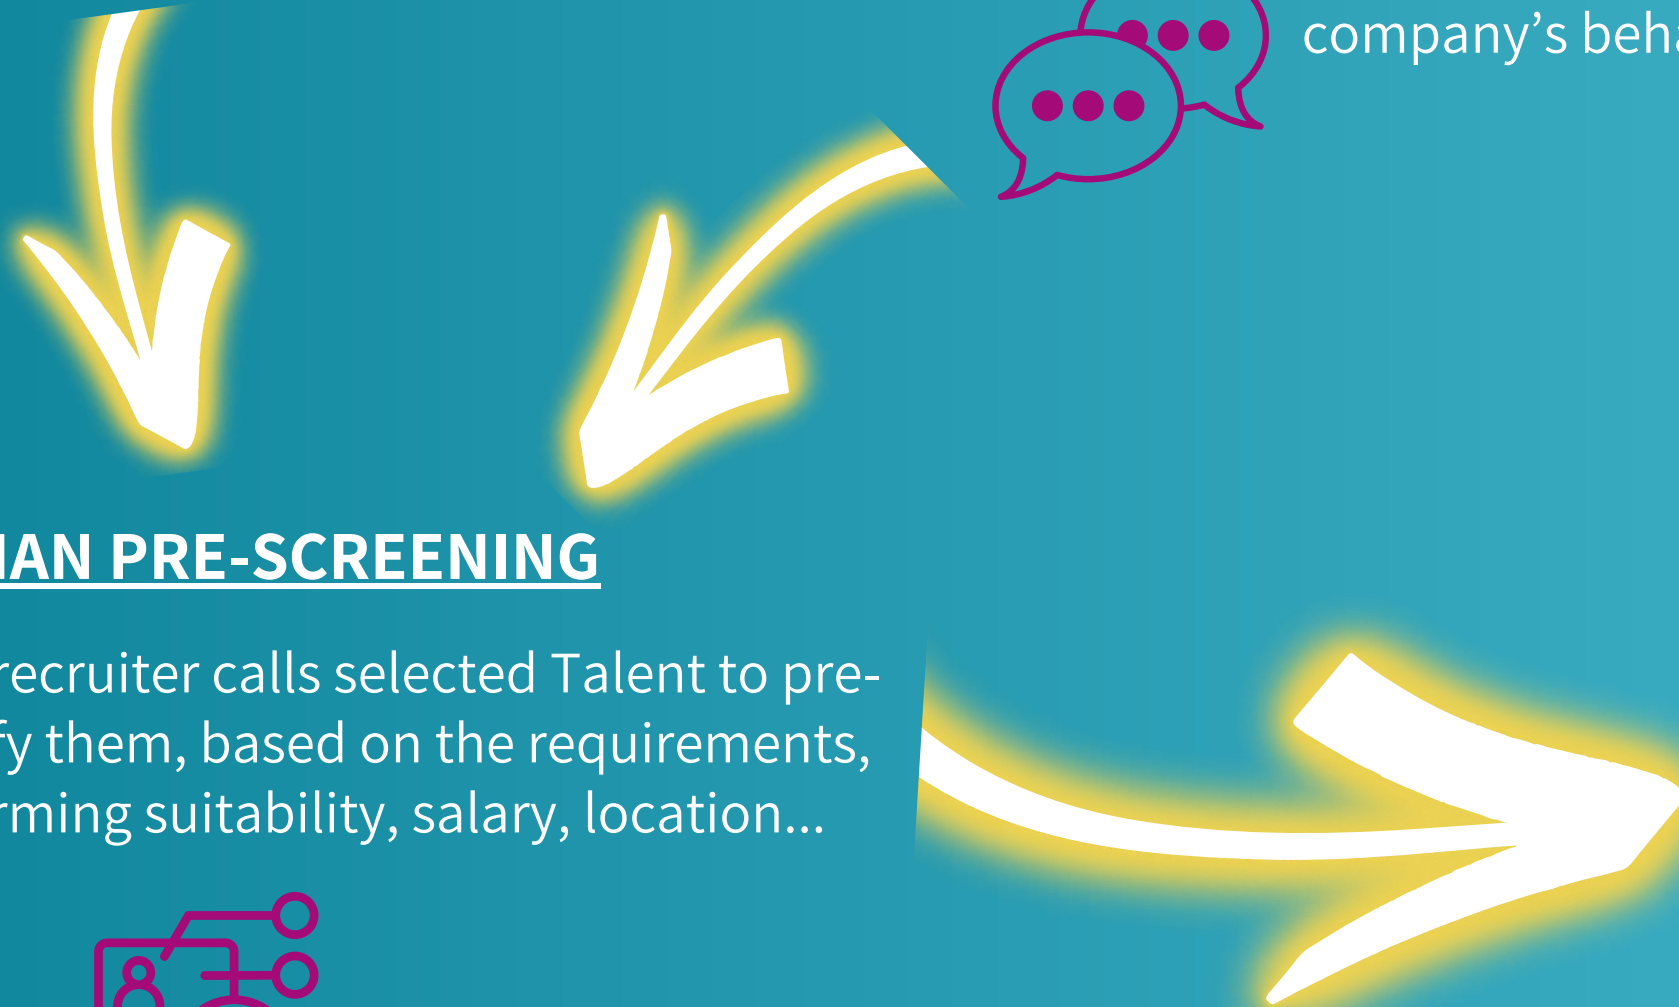

SELECTION

Your recruiter reviews your Job applicants and manage the selection, with speed using AI

SOURCING + OUTREACH

Talented identifies the right candidates on LinkedIn and job boards. We conduct the outreach using AI, to drive interest on your company's behalf.

HUMAN PRE-SCREENING

Your recruiter calls selected Talent to pre-qualify them, based on the requirements, confirming suitability, salary, location...
