

Congratulations on the Independence Day of Ukraine!

Dear Ukrainians! Today is a special day when our hearts beat in unison, wherever we are. I wish you good health, warmth in your families and inexhaustible faith in our victory. May Ukraine flourish and be peaceful, and may each of us feel the support of our relatives and friends. Take care of yourself and each other!💙💛

We sincerely thank everyone who participated in the organization of the UA-Tag in Crailsheim festival! Our festival may not have been perfect in every detail, but each of us invested our strength, precious time and a piece of our soul into it, making this event truly special.

A special thank you to everyone who attended our event. Your presence and participation are not only a support for our charitable activities, but also a great contribution to helping those in need. Thanks to your donations to help Ukraine, we raised 147.7 euros! Thank you!

Together we are strong! Let's keep our ranks and support each other.

With warmth and gratitude,

Center for Ukrainian Culture and Support "The Power of Unity"
