SHARING MY HEART:

- As you know, for twelve years in evangelism I traveled to many nations training over 70,000 personal soul winners, started the Soul Winning Leadership Conferences, helped to plant over 150 churches, and assisted 30 Institutes and Bible colleges to start.
- Since becoming pastor at Parkside Baptist Church 16 years ago, I have not stopped having a burden for our world to receive the Gospel. I still travel to several nations around the world to train national soul winners. A few years ago, we also started our Lone Star Baptist International Colleges. (See report below.)
- Now I ask you please to partner with us. The burden is heavy, the need is great!
CAN YOU HELP?

PRAYER LETTER: REPORT

- This past year, 2025, the Lord multiplied our efforts again to reach people with the Gospel and to train soul winning servants around the world.
- As you know, I schedule to preach out almost every Monday and Tuesday somewhere in America and three to four times a year overseas—along with pastoring a growing church, writing training material for our colleges, and teaching and preaching in our campus college. Excited to be used! Though I am now 65 years old, the Lord has blessed me with good health and energy to do much.

INTERNATIONAL MINISTRY HIGHLIGHTS:

- **Nigeria** - Brad Ethridge and I flew there so that I could preach 15 Gospel messages via television broadcast with a reach of 15 million viewers. I also had the privilege to preach for my dear friend, Missionary Mark Holmes in Abuja for his first service (the inauguration service) in their new church auditorium. People were saved and baptized. I also preached in many other churches. The day before we left, I preached in several public schools, having 782 in total attendance with 492 receiving Christ. While in Nigeria, I preached 24 times in seven days.
- **Philippines** - World Baptist Youth Congress at the Bible Baptist Church in Cebu, Philippines: over 3,000 registered, additional members attended nightly (the

3,000-seat auditorium overflowed). During the week, 194 people walked the aisles to receive Christ and 250 people surrendered to enter Christian work, many of them to the mission fields of the world.

- **Philippines** - Baptist Youth Conference at the New Life Bible Baptist Church in Negros, Philippines. Over 500 attended, 20 received Christ, 60 surrendered to full times service.
- **Philippines** - Soul Winning Leadership Conference at the Bible Baptist Church in Santa Mesa: 11 countries and 47 churches were represented. Although this was during a week of a typhoon and schools were closed, we went soul winning daily in the rain and saw 127 people receive Christ in the streets.
- **Thailand** - Soul Winning Leadership Conference in Bangkok: 4 countries (America, Thailand, Loas, Philippines) and 19 churches were represented, with ten pastors from Loas. Five of these pastors received their earned Lone Star Baptist College Loas and Thailand Certificates of Completion, along with three other individuals in Thailand. Day 1 of soul winning – 123 received Christ. Day 2 of soul winning – 157 received Christ. Then we held a Gospel Crusade – 304 people received Christ. Total of 584 received Christ by the end of the week.
- **LONE STAR BAPTIST INTERNATIONAL COLLEGES:** We are thankful that we have had the privilege to help train over 1,700 students who have enrolled in our 101 international colleges in 43 different countries, training all students to be faithful “Soul Winning Servants” as they prepare for the ministry. In 2025, our college students had the privilege of leading 154,000 people to Christ.
