

November 2026

Dear Praying Friends,

October was definitely a busy month for us. Thankfully, we were able to stay close to home with meetings in Iowa, Illinois, and Missouri. We had the opportunity to visit nine churches, six of which were conferences. This month we had 11% of our needed support come in!

We had the special blessing of visiting several lifetime family friends. We're so thankful for the Godly influences that have invested into us throughout our lives.

Although we didn't see anyone saved this month, we were able to witness to several people and pass out many tracts. Little Bethy has given us many opportunities to meet new people and present the Gospel because of her sweet little smile and happy personality.

I had the opportunity to share our burden for Tanzania at two Christian schools this month. We were able to be involved in giving out tracts and candy to trick-or-treaters at the end of the month. We distributed roughly 1,500 packets in just a couple of hours!

Bethy turned eight months old on the 12th. She sat on her own for a little while the very last day of October! She loves to be outside and enjoyed some extra sunshine while we stayed at a campground in Missouri for a couple of days. We're very blessed that God has given us a happy little traveler.

We praise the Lord for His protection and His provision. We still have 15 meetings this year before taking a short break for the holidays.

Thank you for praying for us! May the Lord bless you!
