A Word Before You Begin

Biblical giving is not about buying a blessing. It is worship, stewardship, compassion, Gospel partnership, and freedom from the rule of possessions. This preview introduces the first principle from the full premium teaching.

PREVIEW TRUTH: God is not trying to get something from you. He is forming a steward He can trust.

Preview Module: The Revelation of Ownership

Psalm 24:1 KJV

The earth is the LORD'S, and the fulness thereof; the world, and they that dwell therein.

Haggai 2:8 KJV

The silver is mine, and the gold is mine, saith the LORD of hosts.

The first battle in stewardship is the battle of ownership. If I believe everything is mine, giving feels like loss. If I understand that everything is entrusted by God, stewardship becomes worship. A steward asks, "Lord, what does faithfulness require of me with what You placed in my hands?"

Three Takeaways

- Ownership changes the language of giving from "my money" to "God's resources entrusted to me."
- Stewardship includes giving, saving, investing, providing for family, paying obligations, and serving people with wisdom.
- God is not competing for a piece of our lives; He is Lord over the whole life.

TEACHING FIRE: God is not trying to become a guest in your finances. He is Lord of the house.
