

# LIVATY

LIGHT UP YOUR BEAUTY

## Lume

This innovative wellness device uses state-of-the-art light technology with four wavelengths specifically tailored to the needs of the skin. Depending on the program, red and near-infrared light are combined with blue and amber wave lengths - providing effective support for a variety of skin needs.

### RED & NIR\*

makes the skin appear fresher, more radiant, and more even.

### BLUE

soothes and purifies for a balanced and harmonious complexion.

### AMBER

refines and revitalizes, promoting well-aging for the skin.

*\*near-infrared*
