

Declaration of Sanctions Compliance regarding Russia and Belarus

Dear Sir or Madam

We hereby confirm, within the scope of our business activities, that all goods and products supplied by us:

- **do not contain any iron and/or steel products of Russian origin;**
- **do not directly or indirectly include** any iron and/or steel items whose import into the EU, the United Kingdom, or other countries is currently prohibited or restricted, in particular under
 - **Annex XVII, Article 3g of Regulation (EU) No. 833/2014** concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine,
 - **Annex 3B of the UK Russia Sanctions Regulations**, as per Regulations 46IA and 46IB;
- **do not contain any goods processed in third countries** that include, directly or indirectly, iron and/or steel products referred to above.

Furthermore, with regard to the latest EU regulations and our product range in stainless steel, we confirm that:

- Our delivered **stainless steel materials, sheets, coils, tubes, semi-finished products, and finished components** do not contain any raw materials or alloying elements of **Belarusian origin**, where their import, processing, or trade is prohibited under applicable EU law.
- We comply with the provisions of **EU Regulations (EU) 2023/2878, 2024/745, 2025/392**, and the amendments to **Regulations (EU) No. 765/2006** relating to Belarus.
- The requirements of the so-called **"No-Russia Clause"** and **"No-Belarus Clause"** are fully respected in all trade and supply relationships, particularly regarding critical alloying elements such as **nickel, chromium, molybdenum, or vanadium**.
- Our stainless steel products are **not affected by the EU import tariffs in force since 01 July 2025** on goods originating from Russia or Belarus, as we exclusively cooperate with sanction-compliant suppliers and sources.

We continuously monitor relevant EU and UK regulations to ensure our stainless steel product portfolio remains fully compliant with applicable sanctions.

Should you require further information or supplier declarations, we are happy to assist.
