

Strategikon Pharma Inc. Privacy Statement

This community is an initiative sponsored by Strategikon Pharma.

Cookies: We use cookies to improve your website experience. By continuing to use the website, you consent to our use of cookies.

Our Commitment

Strategikon Pharma's Privacy Policy (henceforth referred to as Policy) has been established to demonstrate our commitment to protecting the privacy of your information regardless of whether you are our customer or a visitor.

In this Policy, we describe how we collect, use, and disclose information that we obtain and what your rights are in this regard. This Policy applies to Strategikon Pharma and its subsidiaries.

By using our Sites or our Services, or otherwise providing information to us, you agree that your personal information will be handled as described in this Policy. You also agree to the terms for accessing and correcting data as described in this Policy. Your use of our Sites or Services, and any dispute over privacy, is subject to this Policy and our Terms of Service.

Our Commitment to GDPR

Strategikon Pharma is committed to ensuring the security and protection of the personal information that we process, and to provide a compliant and consistent approach to data protection. We have always had a robust and effective data protection program in place which complies with existing law and abides by the data protection principles. However, we recognize our obligations in updating and expanding this program to meet the demands of the GDPR.

Strategikon Pharma is dedicated to safeguarding the personal information under our remit and has developed a data protection regime that is effective, fit for purpose and demonstrates an understanding of, and appreciation for the new Regulation. Our preparation and objectives for GDPR compliance include the development and implementation of new data protection roles, policies, procedures, controls, and measures to ensure maximum and ongoing compliance.

Information Collection & Use

While using our Site or services, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you; the type of information collected shall be based on your interaction with us but may include your name, company name and address, contact information (phone and email), billing information, credit card details and any other information you choose to provide.

In addition to the above we may also collect information automatically which may include information about your use of our Sites or online Services through cookies (refer section 4), log files and other technologies. The information collected may include your domain name, your browser type and operating system, web pages you view, links you click, your IP address, the length of time you visit our

Sites or use our Services, your activities on our Sites or Services (including your movement through our Sites), and the referring URL or the webpage that led you to our Sites.

How we use the information

The information collected by us may be used for the following purpose

- For the purpose for which you specifically provided the information to us, including, to respond to your inquiries, to provide any information that you request, to address trouble tickets, and for providing customer service.
- To deliver customized content to you, to offer location customization, personalized help, and instructions, and to otherwise personalize your experiences while using our Sites or our Services.
- The information may also be shared with marketing and sales partner to contact you with newsletters, special offers and promotions, or to otherwise contact you about products or information we think may interest you as well as to track the success of our marketing and advertising campaigns.
- To help diagnose technical problems, for administrative purposes, to compile non-identifying aggregate statistics about site usage and to improve the quality of our website and services
- To protect our customers, employees, or property and to enforce this Policy, as well as our Terms of Service.

All financial and billing information that we collect is used solely to check the qualifications of prospective customers and to bill for services. This billing information is not used by us for marketing or promotional purposes.

Cookie Policy

A cookie is a small file of letters and numbers that is placed on your web browser, or on the hard drive of your computer or mobile device that will enable us to distinguish you from other users and provide you with a meaningful experience when you browse the website. Tracking cookies also allows us to improve the site for all our users. Cookies cannot be used to run programs or deliver viruses to your computer.

Cookies merely recognize your browser. Unless you choose to identify yourself, you remain anonymous to us.

We at Strategikon Pharma collect two types of cookies

- Session cookies: these cookies are temporary and only last as long a user's 'browser session'. A browser session starts when a user opens the browser window and finishes when they close the browser window. Once the browser is closed, all session cookies will be deleted.
- Persistent cookies: these cookies remain on a user's device after a browser session has finished. How long each cookie lasts will be specified by each cookie. Persistent cookies will be activated each time that a user revisits the website that placed the cookie.

Google Analytics

Strategikon Pharma uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help a website analyze how users use the site. On behalf of the website provider, Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage to the website provider. You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that if you do this, you may not be able to use the full functionality of this website. Furthermore, you can prevent Google's collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout?hl=en-GB>.

How to turn cookies off

Users can disable their web browsers' ability to accept cookies and will be able to browse our website, but you might not be able to successfully use our service.

Internet browsers allow you to control your cookie settings, which are usually found in the 'options' or 'preferences' menu of your browser, which will allow you to refuse some or all cookies. Please note if you chose to block all cookies (including essential cookies) you may not be able to access some or all of the website. Unless you have set your browser settings to refuse cookies, our system will place cookies as soon as you visit this site.

Third Party Sites

Pages within Strategikon Pharma's website and software service may contain links to other web sites. We are not responsible for the privacy practices or the content of these other web sites. When accessing a linked site, you may be disclosing your private information. Strategikon Pharma does not take responsibility to keep such information private and confidential.

Sharing of Collected information

Except in the cases where we explicitly state otherwise, Strategikon Pharma does not disclose any personally identifiable information to third parties except as follows:

- We may disclose the information we collect from you in order to comply with applicable law, judicial proceedings, a court order, or other legal process, such as in response to a court order or a subpoena.
- We may disclose the information we collect from you where we believe it is necessary to investigate, prevent or take action regarding illegal activities, suspected fraud, situations involving potential threats to the safety of any person, violations of our Terms of Service or this Policy, or as evidence in litigation in which we are involved.
- We may share information with our marketing and sales partners as part of marketing/advertising campaign.

- We may also share information with third parties that are involved in study management (commonly practiced in our industry).

Strategikon Pharma reserves the right to share aggregate or de-identified information about users with third parties for marketing, advertising, research, or similar purposes.

Job Applicants

If you submit your resume or otherwise apply for a job with Strategikon Pharma or its subsidiaries, the information submitted by you shall be used and disclosed only for employment consideration, unless additional consent is obtained from you.

Security

The security of your Personal Information is important to us but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

If individual personal data is acquired, or is reasonably believed to have been acquired, by an unauthorized person and applicable law requires notification, Strategikon Pharma will notify the affected individual of the breach by using the contact information provided. Notice will be given promptly, consistent with the legitimate needs of law enforcement and any measures necessary for Strategikon Pharma or law enforcement to determine the scope of the breach and to assure or restore the integrity of the data system. Strategikon Pharma may delay notification if Strategikon Pharma or a law enforcement agency determines that the notification will impede a criminal investigation.

Any breach affecting individuals from EEA (European Economic Area) shall trigger notification and communication as per Article 33 and 34 of GDPR.

How to Opt-Out of this Policy

At any time after providing us with the information, you change your mind about receiving commercial information from us or sharing your information with third parties, send a request specifying your new choice to info@strategikonpharma.com.

How to Access, Correct, Amend or Delete Your Information

To access, correct, amend, or delete your account information and other personal information that the Company may be storing about you (for example, your name, address, or billing information), you may send an email to the following address: info@strategikonpharma.com.

To protect your privacy and security, we will also take reasonable steps to verify your identity:

On receipt of any Subject Access request and Data Portability request; actions will be initiated to fulfil the request within 30-day time frame, free of charge.

Under Subject Access request; you may request

- confirmation that we are processing your personal data;

- a copy of your personal data; and
- other supplementary information as defined in Art 15 of GDPR

Under Data Portability; you may request

- copy of your personal data; and/or
- have your personal data transmitted from one controller to another controller.

Note:

Processing fee may be applicable if the request is found to be manifestly unfounded or excessive. If we charge a fee, we will inform you of this and explain the reasons for doing so.

Steps will also be taken to verify the requestor's identity prior to initiation of action.

For Data Portability requests the data shall be transferred only if found to be technically feasible.

If the request is complex and cannot be completed within the 30-day time frame we may extend the timeline; however, we will keep you informed of such extension with the reason for the same.

If you are not satisfied with the actions taken; you may seek recourse by writing to us at info@strategikonpharma.com.

Changes to The Privacy Policy

This Privacy Policy will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and it is recommended you check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you by placing a prominent notice on our website.
