

General Terms and Conditions (GTC) of the Tron-Trade crypto project as of March 2025

1. Scope of application and consent

1.1. These GTC apply to all participants of the Tron-Trade crypto project.

1.2. Participation requires that participants have read, understood and fully accepted the GTC.

1.3 Amendments or additions to these Terms and Conditions will be announced by the administrators and will come into force upon their publication. If the market situation so requires, the administrators may also decide to make changes at short notice.

2. Conditions of participation and obligations of participants

2.1. Minimum age: Participation in the Tron-Trade crypto project is only allowed for persons who have reached the age of 18.

2.2. Personal responsibility: Participants are responsible for all actions within the project and bear the risks of their investments.

2.3. One-wallet rule: The creation of multi-wallets is strictly prohibited. Violations may result in account suspension and liquidation of deposits.

2.4. Compliance with local laws: Participants agree to ensure that their participation and activities in the project comply with the laws of their country of residence.

3. Offers and investment opportunities

3.1. The project offers several types of “profitable cryptocurrency storage”:

TRX Pool:

Pool 2025: 3 months duration, 4% return per month (minimum deposit: 2.500 TRX, maximum 100,000 TRX)

Pool 2025: 18 months duration, 8% return per month (minimum deposit: 2.500 TRX)

Pool 2025: 24 months duration, 10% return per month (minimum deposit: 2.500 TRX)

All profits in TRX

TEX pool:

Pool 2025: 24 months duration, 12% return per month (minimum deposit: 2.500 TEX)

All profits in TEX

ETH pool:

Pool 2025: 18-month term, 6% return per month (minimum deposit: 0.25 ETH)

Pool 2025: 24-month term, 8% return per month (minimum deposit: 0.25 ETH)

All profits in ETH

3.2. Profit payments: Profits from the TRX 2025 pool and TEX 2025 pool are available monthly, profits from the ETH 2025 pool are available every 3 months, and the total deposit is paid out at the end of the term. Profits from the current 2023 and 2024 pools are available every 3 months.

3.2.1. Profit payments may only be made via the TronTrade.vip platform. All other payment methods are not allowed and will result in the immediate blocking of the wallet address.

3.3. Reinvestment: Participants have the right to reinvest profits and deposits at the end of the retention period.

4. Affiliate and Referral Program

4.1 Participation in the partner program requires an active personal investment and meeting the requirements of the respective marketing plan.

4.2 Detailed information on levels, commissions and conditions can be found in the official presentation.

4.3 The “performance conditions” are continuously reviewed by the administrators. If they are not met, the partner has until the end of the quarter to restore the status.

5. Risks and Disclaimer

5.1. Risks of cryptocurrencies:

Cryptocurrencies are subject to high volatility. Participants are aware that the complete loss of the investment is possible. No return is guaranteed.

5.2. Technical risks:

The project assumes no liability for failures of the TRX blockchain network, technical malfunctions, network problems or external attacks.

Third-party providers such as wallet service providers or exchanges are subject to their own risks, for which the TronTrade project is not liable.

5.3. Regulatory risks:

Legal changes or state regulations can influence or discontinue the project. The administrators do not accept any liability for this.

5.4. Force majeure:

In the event of force majeure, i.e. events beyond the control of the project operators, the payment of profits can be postponed to quarterly.

5.5. Exclusion of any liability:

Any liability for direct, indirect, incidental or consequential damages, including lost profits, is excluded to the extent permitted by law.

6. Sanctions for rule violations

6.1. In case of violation of the terms and conditions, in particular in the case of multi-wallet creation or unauthorized advertising, the administrators can block accounts without warning and liquidate deposits.

6.2. Enticing community members to other projects will also result in the immediate blocking of the account.

7. Advertising and communication

7.1. Any form of advertising (flyers, videos, social media posts, etc.) must be approved in advance by the administrators.

7.2. Violations of this rule will result in the blocking of the investment account.

8. Place of jurisdiction and choice of law

8.1. These GTC are subject exclusively to Swiss law.

8.2. For disputes in connection with these GTC or the project, the exclusive place of jurisdiction is Zurich.

9. Severability clause

Should any provision of these GTC be invalid or unenforceable, the validity of the remaining provisions shall remain unaffected. The invalid provision shall be replaced by a permissible one that comes closest to the economic purpose.

10. Final provisions

By participating in the Tron-Trade crypto project, participants confirm that they have read, understood and accepted these terms and conditions. Changes to the terms and conditions will be posted on the official project page and are binding.
