Washington Community Theater

Director Application

Thank you for your interest in directing a production with the Washington Community Theater. Directors that are selected will have the full resources of the Theater available to them to ensure the best production possible. The Theater will order a perusal copy of the scripts you are interested in, upon request. Please let us know any questions you may have. Remember, this is a volunteer group and we are all here because we love the theater and we each have something to contribute. Applicants should demonstrate a passion for the theater, the ability to collaborate with a group, willingness to give and receive constructive criticism, and a strong sense of respect for others. **Please fill out this application and email to manager@wctheater.com by May 28th.** Once your application is received, it will be given to the Theater Board for review. If chosen to proceed in the process, you will be provided further information and requirements for doing a formal presentation to the Board, typically the first week in June.
